

IoT Inspector is a security startup that develops a SaaS platform for organizations and cyber security professionals to automatically examine the firmware of IoT devices for vulnerabilities and conformance deviations.

Join our team if you are enthusiastic about IT security, want to work with the latest technologies, and care to bring security to the IoT world. In order to grow our team, we are looking for a

Senior IoT / OT Security Consultant (m/f/x)

Location: Düsseldorf, Germany / remote from Europe

We are looking for you if you

- are a creative problem solver;
- want to be part of a team with ambitious growth plans, a culture of continuous learning, and innovation;
- are interested in IoT / OT security;
- want to work with an enthusiastic team.

Responsibilities:

- Understanding and translating our clients' needs into technical IoT/OT security concepts;
- Advising prospects and clients on how to benefit most from automated IoT/OT security SaaS services;
- Leading and executing technical solution implementation projects;
- Drive company success by enabling our sales team;
- Articulating technical requirements and methods;
- Facilitating workshops and meetings that generate content for solutions;
- Iteratively eliciting requirements, writing user stories and prioritizing tasks.

Qualifications:

- Bachelor's or Master's degree in Information Systems, Economics or related fields;
- Experience with software development processes, SDLC, OWASP SAMM, BSIMM and similar concepts;
- Experience in IT security, any experience around IoT/OT is an advantage;
- Experience with project management;
- Strong communication & presentation skills and business acumen;
- Experience in successfully working with software development teams;
- Enthusiasm for problem solving;
- Skill in supporting and implementing agile, lean and continuous delivery best practices;
- Fluent in German and English;
- Willingness to travel (working several days a week at our clients' sites).

APPLY NOW – Please send your application to jobs@iot-inspector.com if you think you are the right person for the job.
